PARISH LENTEN APPEAL

SUPPORT EALING ABBEY LENTEN PROJECT

This Jubilee Year we are supporting the life-changing work Ealing Winter Night Shelter (ECWNS) do to alleviate homelessness. ECWNS impact the wider community by offering a unique service to the borough's rough sleepers, providing food, a safe and warm space to sleep, and, importantly companionship, every night to 14 people from November to March each year. Ealing Abbey has been supporting ECWNS since 2013. By giving to ECWNS, you are helping to provide emergency shelter and on-going support to Ealing's rough sleeper community.
